

THE ELEMENTALISTS RUNNER

-ANANYA KANNAN

This game was inspired by an e-book called The Elementalists, highlighting how all the elements work together and what humans can do with elemental magic.

Plot: A College Student enrolled at an exclusive university finds themselves being targeted by a mysterious enemy while learning that they may be one of the most powerful Magic wielders on the planet.

the player is said to be Attuned to sun magic (expertise in sun magic) denoted by the player's yellow shirt. during the time at their university, they try to master other elements such as: Metal, Moon, earth, water , wood and Fire.

Directions to play:

- 1] Learn all the spells by collecting them.
- 2] Collect all the spells to become the master of Elements.
- 3] Try to stay in the road as much as possible.
- 4] Try to avoid all the sharp knives that appear out of air magic.
- 5] Try to get an highscore.

Points to note:

- 1] I couldn't add sound because of some error.

Happy Running!
